## Portuguese Support

Not if.. But when will it happen?

# Portuguese Aid

## The EU Civil Protection Mechanism and the Emergency Response Coordination Centre [EU]

The Joint Task Force (FOCON), coordinated by the Portuguese Emergency and Civil Protection Authority (ANEPC) and composed of 52 members of the Special Civil Protection Force of the ANEPC, GNR (Gendarmerie), Lisbon Fire Brigade and the National Institute of Medical Emergencies (INEM) and six dogs, was in the Turkish city of Antakya for more than a week.

The city was hit by two strong earthquakes on February 6.
